## SUMMARY

"As a dedicated and dynamic individual, I pride myself on being highly adaptable and committed to continuous learning. I have experience in Java, HTML, CSS, JavaScript, SQL and Git, with a strong foundation in both front-end and back-end development. I thrive in collaborative environments, contribute effectively to team projects, and continuously seek opportunities for growth. Additionally, I am willing to relocate to pursue exciting opportunities and further develop my skills in a challenging environment. I am eager to apply my technical expertise, build scalable applications, and grow as a developer.

---

## EDUCATION

### Hebron Technical High School

Jan 2015 - Dec 2019

- Completed

### Tshwane University of Technology

Jan 2020 - July 2024

#### Diploma in Computer Science

- Completed final-year modules and am eager to apply my skills and knowledge to contribute meaningfully to the IT field through an internship opportunity. I am set to graduate in 2025, further solidifying my readiness to embark on a professional journey.

## RELEVANT COURSEWORK

### DTP316D : Database programming

- Focused on PL/SQL, I gained a solid understanding of writing efficient SQL queries, creating stored procedures, and managing database transactions.

### INT316D: Internet Programming

- In the Internet Programming course, I gained extensive experience in developing robust web applications using Java and Java EE. I learned to build and consume RESTful APIs, create dynamic web pages with JSP.
- 

## TECHNICAL SKILLS

- HTML, CSS, JavaScript
  - Java
  - MySQL
  - Mobile development (Jetpack compose)
- 

## SOFT-SKILLS

- Collaboration and Teamwork
  - Eager to learn
  - Problem-solving
  - Good communication
-
